### FACULTY AT FACE VALUE

The faces of teachers and those who work with youth, reflect the hope, joy, love, anxiety, admiration, and frustrations of today's people.

Giving us an opportunity to grow and mature, our faces will guide tomorrow's destinies.

Academics is what it is all about . . . that is, the function for which school was designed. The answers are not always found in the classroom - many of them came from you! Thank you Mr. Doucette and Mr. Menghini for being a part of our life.

## Student Teachers

Mr. Braun, Mr. Pierce, and Mr. Branback

## Seniors

LITTLE THINGS MEAN A  
LOT . . .

When the people are gone and memory must fortify nostalgia, recall the day of senior shots, Jean's crystal ball, the senior picnic, and it looks like some students didn't live through the hot lunch program!

# In Memory of Mary Jo Schelfhout

OUR CLASSMATE

Her name rings in our minds; it rings with laughter; it rings with thoughts of a toothless smile and a freckled face.

January 6, 1954 - August 17, 1963

Our memories go back to a time, long ago . . .

Mary Jo was a wonderful person even at the age of nine - carefree and happy and giving - a friend of all, a special friend of each.

She died in a burning blaze - the Comstock fire of '63 - a tragic fire, a fateful fire, a fire that robbed us of a friend.

She left her family and friends alike that August night, left us with a void, with the memory of a friend, NEVER TO BE FORGOTTEN.

# 1972 Class Prophecy

For the future I see great things for the class of '72! The crystal ball is getting clearer, and clearer, ah, now I see . . . At the top of government the president is Dan Bourassa. His motto was "Get this country back in shape, Daniel Bourassa will do it great."

JEANETTE AMOND is his secretary, very efficient and a very wonderful typist.

This magnificent class includes a president of Cornell University - ANNE LARSEN.

And the first lady astronaut - MARY WAITROVICH.

Many of us will go into different phases of medicine. CARLY CHENE, a brain surgeon - transplanting old puns; DONNA BERGER will be his assistant.

MARK DAWSON will be a general MD, his initials are already, mine for him!

KATHY HUBBARD will be a head nurse, perfection is a must so lives will be saved.

JOY CARPENTER always thought that microbiology would affect her. Now it has, she became a specimen and is now poked at by Niagara's microbiology class of 89.

Some other phases of medicine that this class has gone into are psychiatry - WARDEN HINDS FROM'S field.

KATHY RUSS - a social worker and RICH COCQUYT as a dentist . . .

Oh, the forms are fading, quickly now - oh, here it comes again, darn socks! Ah yes, there I see STEVE ANDERSON riding the Rockies on his Honda (What else but a Honda!)

And there's JOE KOSOSKI, a chopper racer. KATHY CHITMEYER is the powder-puff racer (Would you believe 48 firsts?)

JEANNIE KIN KIRK is now a professional horse racer. Oh, yes . . . let's not forget.

POCKY BJORKMAN plowing his fields on his tractor, and ANNE'S WIFE HER just humming on his bike. You always knew the class of '72 was musically inclined (or couldn't you tell by the senior chorus?) In 1987

DOUG ANDERSON made his debut at Carnegie Hall. SALLY WHITE, as we always knew her, at a night club singer (moonlighting in soap operas.)

DEBBIE KRIDLER is a singer, nightclub star, etc., etc., etc.

JOE PROVENCHER is also an opera star, generally seen in Venice scenes.

Of course, you always knew that JOE ALLEN would be a world famous guitar player, he even understudied Johnny's Cash.

Many in the class of '72 are sales people. SUE HEDLEY has maintained the position as a cashier for 10 years - she moved around and now sells cash registers (empty of course.)

RICK STUENO, a lawn mower salesman, moonlighting as a baker (what better way to loaf on the job?)

BOB BEARKS as you always knew, became an antique car dealer. Of course MARY OLSON is the singer of all Ohio, it's fading again - here goes - darn current - now, yes, yes, the clouds are clearing - now I understand LINDA HILFUND is a meteorologist - predicting the weather couldn't she tell us about her prophecy sign -

any way, her guess is as good as any one's when it comes to the weather.)

What a varied class, it even has athletes . . .

MIKE GRAYMAN is an Olympic runner, the problem is - what's he is running from?

LEE HENDRICKS is an all-star wrestler (love them fields). GARY FAWCETT is making it as an Olympic ice skater and truck driver - he keeps on trucking. You always knew that CARLY MCILL would be a super star

football player - didn't you (he's with the Brewers I guess) Darn fog . . .

LEE, the pro skier now lives in the Alps.

Other class mates have made it in television. TODD McFARLANE has his own TV show - the star of Sesame Street for adults.

SCOTT NELSON'S new Mr. America. PEUDY is Miss Ultra Perfect and KAREN - a model (who, y is back in again.)

The "would you believes" are: JOE THOMSON - a state patrol man, Wap - the Pope.

DAVE FORREST - a ranger (with his name, why not?)

BOB GUNVILLE - a pig farmer.

BETH BUTLER - a construction worker.

JOE CHAPMAN - a broker in the service, WENDY CHRISTEN - a librarian. DENNIS CALD - now clerk.

ROSANNE is now a career girl.

What about SHARON POFFENBERG? Would you believe she is now a guidance counselor

DENISE - is the neighborhood gossip.

EARL RUGG - a weaver, and RICK MIERZEJEWSKI - a telephone book printer.

# Homecoming 1972

Altogether Now . . .

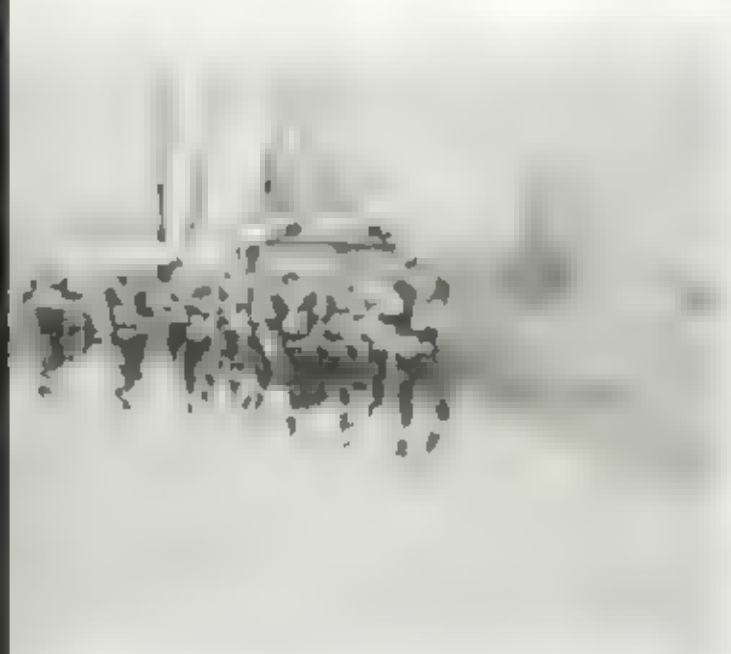

Let's Hear It For

Niagara High!

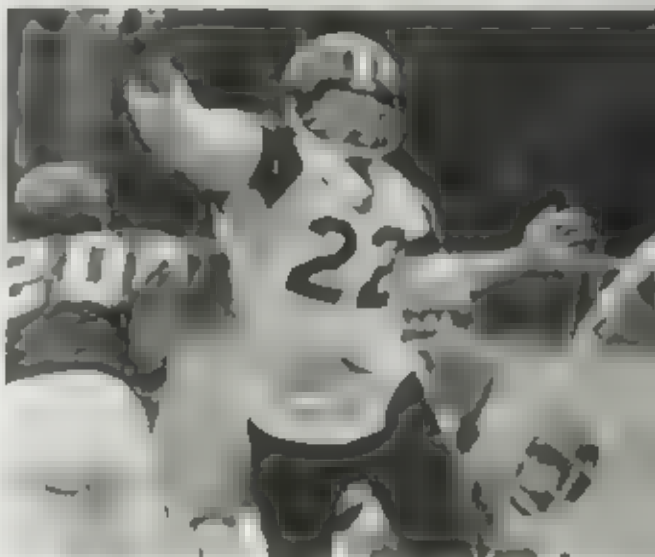

Rainy weather, spirited fans, devoted classmen and their activities, a pretty queen, and a hard fought game highlighted the October 23, 1972 Homecoming. Pam Romitti and Mike Graham were crowned Homecoming queen and king. The Friday night pep rally set off the Homecoming weekend to an outstanding victory of 31 to 14 defeating the Crivitz Wolverines. The Saturday night dance was a fitting end to three days of long remembered memories.

The Magic of Excitement!

We came, We saw, We Conquered.

Fans do the STRANGEST things . . .

HOMECOMING ROYALTY, left to right: Gary Molle, Gary Greene, Dan Bourassa, Greg Hendricks, Scott Nelson, Rusty Ponzio, David Forrest, Mark Erland, Mike Graham, Pam Romitti, Jenny Dawson, Karen Oja, Lisa Peterson, Joy Carpenter, Jacki Garvalgia, Jane Donovan, Sally Weber, and Beth Butler.

Precious and few are the moments

we two did share.

We'd sing and dance forever and ever.

Those were the days  
my friend, we thought  
they'd never end.

We'd live the life we choose,  
We'd fight and never lose.

For we were young and sure to have our way.

## People, People, People

People, we've got people . . .  
Miles and miles of people . . . people  
doing things, saying things, making faces  
people doing nothing, saying nothing'  
just being people.  
People smiling, people laughing,  
people sneering . . .  
people reflecting, doubting, pondering . . .  
people just being people.
